

COVID-19 Vaccine Registration (1st Dose)

This tip sheet describes the process to schedule your first dose COVID-19 vaccine via the Wellstar website or mobile App. If you are eligible to receive the first dose, you will be able to select a location to schedule your first dose vaccine. The second dose will be scheduled via MyChart after you complete the first dose.

Try It Out

From Wellstar.Org:

1. From the COVID-19 registration form, select **Get Started**
2. Answer the questions, in order to schedule your vaccine to determine if you are eligible.
3. You will be able to select a location to schedule your first dose vaccine. You will be able to schedule your second dose after you have completed your first dose

- By default, the list of locations is sorted by closest to you. You can toggle the list by closest to you, location name or search by ZIP code

Schedule your vaccine
Please select a location below to schedule the first dose of your vaccine. The second dose will be scheduled when you arrive for the first dose.

Sort by: **Closest** ZIP Name
