How Do I Update my Demographics and Communication Preferences in MyChart?

This tip sheet describes how to update

- Personal Information to update your demographics & contact list
- Communication Preferences to update how you are notified
- Other Preferences to update scheduling preferences

Demographic information updated in MyChart can take up to 24 hours to process and reflect in your account.

1. Upon logging into your MyChart account, click Your Menu and navigate to Account Settings.

Personal Information

1. In the Personal Information section, you can edit your **Contact Information**, **Details About Me**, and your **Family and Friends** contact list by clicking <u>Edit</u>.

4. You can expand each notification type by clicking the drop-down arrow for more notification options.

Note: With the new Test Results Daily Digest in MyChart, you can choose to receive a single notification for all new test results released in a day instead of receiving separate notifications for each individual test result. The Daily Digest is delivered between 8-10 AM and is sent on weekends and holidays. To opt-in, expand the **Health** row and check the **Receive a daily summary between 8-10 AM on a business day** checkbox.

Other Preferences

In the **Other Preferences** section, you can update scheduling preferences and caregiver information. *Remember to click **Save Changes** button at the bottom of the screen to save updates.
