

Locating Your After Visit Summary (AVS)

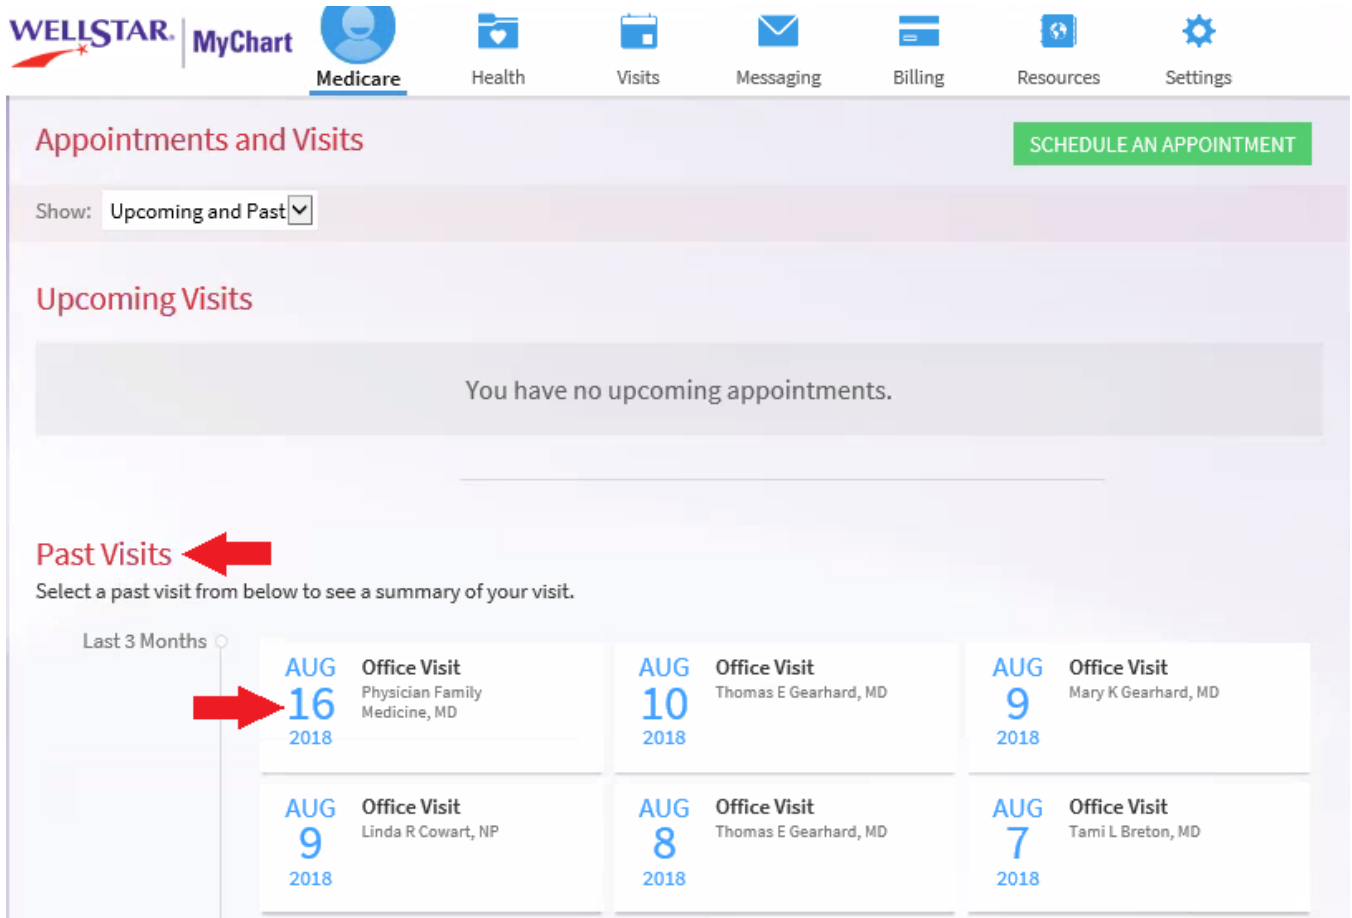

This tip sheet describes how to view your After Visit Summary (AVS) in MyChart.

Try It Out

1. After logging into your MyChart account, navigate to the **'Visits'** menu selecting **'Appointments and Visits'**.

2. From the Past Visits section, select the past visit for which you'd like to view the After Visit Summary (AVS).

3. After selecting a past appointment, you will be able to view the After Visit Summary (AVS).

The screenshot displays the WellStar MyChart interface. At the top, there is a navigation bar with icons for Medicare, Health, Visits, Messaging, Billing, Resources, and Settings. Below this, the 'Appointment Details' section is visible, with tabs for 'After Visit Summary®' and 'Notes'. The patient's name is 'Medicare D Monies', and the address is 'Medicare D Monies 3401 Veronica Drive Chalmette LA 70043'. The visit is identified as an 'Office Visit'. The 'Other Info from Your Visit' section includes:

- Reason for Visit:** Abdominal Pain
- Care Advice:** No Care Advice given for this encounter.
- Diagnoses this Encounter:** Abdominal cramping, gestational - Primary

A table at the bottom of the 'Diagnoses this Encounter' section shows the following information:

Diagnosis	Codes	Comments
Abdominal cramping, gestational - Primary	O26.899, R10.9	

Note: The AVS includes information that was addressed during your visit such as; Reason for Visit, Care Advice, Diagnoses this Encounter, Problem List, Allergies, Vital Signs, Medications, Preferred Pharmacy Information, Issues Addressed, Current Immunizations, Patient Care Instructions and MyChart Activation information.
